Bug Tussel Brings High-Speed Fiber Internet to Rural Fond du Lac County

New Service Launches in Six Wisconsin Communities, Bridging the Digital Divide

Fond du Lac County, WI – July 1, 2024: Bug Tussel, a leading rural internet service provider, announces the launch of its fiber internet services in Alto, Ashford, Eldorado, Fairwater, Forest, Marytown and Oakfield, Wisconsin. This development marks a significant step in bringing high-speed, reliable fiber internet to underserved rural areas.

Closing the Rural-Urban Digital Gap

"This launch represents a significant milestone in our mission to bridge the digital divide," said Jason Wied, CEO of Bug Tussel. "Our fiber network brings high-quality internet speeds to these rural communities, enabling everything from seamless video streaming to efficient remote work and learning."

Community Impact

The new fiber service aims to enhance the area's quality of life and economic opportunities. Residents and businesses can now benefit from:

- Speeds capable of supporting 4K video streaming
- Reliable connections for video conferencing and remote work
- Enhanced online learning capabilities
- Improved access to telemedicine services

About Bug Tussel

Bug Tussel specializes in bringing broadband internet to rural Wisconsin communities using both wireless and fiber technologies. The company focuses on areas often overlooked by larger providers, maintaining its mission to serve rural Wisconsin with reliable, affordable internet backed by local support.
